

# SKYLINE RADIO CLUB

Volume 1, Issue 1

Nov 6 2004

## **NEXT MEETING HIGHLIGHTS**

- Repeater system maintenance
- Nominate and elect club officers
- Discuss Ham Radio Interests In the area.

## **SKYLINE MEETING DATE SET**

The Skyline Radio Club scheduled to hold a meeting next December 2nd, 2004.

Since we have not held a ham club meeting for quite some time, this one is LONG overdue.

We hope to see all local licensed amateur radio operators attend this very important meeting.

The next meeting we will discuss matters concerning the local repeater system. As you may know Barry (WB7REL) and Dean (W7DHH) have been left with the sole responsibility for repeater costs and maintenance for quite a few years and some of the repeaters are in dire need of financial help to keep them working and on the air.

We would like to set fourth in our next meeting some sort of club dues which will be used to help offset the costs of maintaining and repairing the repeater network.

We're also looking at nominating and electing some club officers.

These are just a few of the topics to be discussed and is why your attendance to this meeting is critical.

We have included a questionnaire to help us to get a feel of where you would like to see the hobby go in this region. Please take a few moments to fill it out and drop it in the mail

Snowcat at the 146.66 repeater on skyline

### **WHERE:**

Gunnison Town Hall  
38 West Center Street  
Gunnison, UT

### **WHEN :**

Thursday December 2 2004  
7:00 PM

## **Skyline Radio Club On The 'Net and "THE NET"**

We have had webspace donated to our cause and now have an official webpage up at

[www.skylineradioclub.com](http://www.skylineradioclub.com)

At our website you will be able to read up on news and events pertaining to the group.

At our next meeting we will be taking requests to any club members who would like a free email address at [skylineradioclub.com](mailto:skylineradioclub.com)

THE NET is Radioactive.

Yes its true! Were once again holding a local net every Thursday night at 8:00 PM

We would like to invite you to check in and say hi and let us all know how your doing.
